

Clay's Home Studio Setup

Apple Macbook Air Laptop (max out your Memory)

- More affordable option: Mac Mini Computer
- Even more affordable: Check out refurbished units on Mac website.

[UAD Apollo Twin](#) Audio Interface

- This interface is record quality and comes with top-of-the-line effects.

[Yamaha HS5](#) Powered Speakers

[Sure SM7B](#) microphone (I recommend using a [CloudLifter](#) with this mic for best sound)

[Machine Mikro](#) Drum Pads & Software

[Arturia Keylab 49](#)

- Smaller more affordable option: [Akai LPK 25](#)
